Beschreibung

Professional Deep Tissue Massage Gun:

A handheld device that sends pulses of pressure that penetrate deep into muscle tissue.

Relieve muscle aches, pain and soreness, speed up muscle recovery and reduce your risk for exercise injuries.

6 Massage Adapters & 30 Variable Speeds – Comes with five different heads to aid in sore muscle relief, providing targeted treatment for every muscle group.

Different massage heads and speed levels provide a relaxing massage experience and reduce bone damage.

Super Quiet Operation: Professional deep tissue massager has 24V brush-less motor and quite glide noise reduction technology that brings high power but low noise experience. You can use it at home, gym, office.

Lightweight & Carry Case:

Ergonomic silicone handle is better for gripping, it comes with a caring case that is easy to take with you on the go.
